Sizes 6 (12-24) Months

Back

RC 000. Cast on 67 (71-81) stitches; make picot hem, as follows: T 3. Knit 8 rows. Starting with 3rd st from edge, transfer every other stitch to its neighbor. Return the emptied needles to work position. T 3 ½. Knit 8 rows. Hang hem. T 5. Knit 1 row to seal hem.

RC 17. T 4. Knit even to armholes, RC 54 (60-68).

Shape Armholes

Bind off 3 sts at the beginning of the next 2 rows.

Decrease 1 st both sides every 2 rows 1 (2-2) times. Knit even to RC 58 (66-74).

Remove remaining 59 (61-71) sts on waste yarn.

Right Front

RC 000. Cast on 35 (37-41) stitches; make picot hem, same as for Back.

RC 17. T 4. Knit even to armholes, RC 54 (60-68), ending with carriage on right.

Shape Armhole

Bind off 3 sts at the beginning of the next row; knit across and back to armhole edge.

Decrease 1 st on right (armhole) side only every 2 rows 1 (2-2) times. Knit even to RC 58 (66-74).

Remove remaining 31 (32-36) sts on waste yarn.

Left Front

Work as for Right Front, reversing shaping.

Sleeves

Make 2 alike.

RC 000. Cast on 37 (41-47) stitches, make picot hem, same as for Back. For size 6 months only, increase 1 stitch. 38 (43-47) needles now in work.

RC 17. T 4. Knit even to RC 46 (54-62).

Shape Armholes

Bind off 3 sts at the beginning of the next 2 rows.

Decrease 1 st both sides every 2 rows 1 (2-2) times. Knit even to RC 50 (60-68).

Remove remaining 30 (31-37) sts on waste yarn.

Yoke

There are not enough needles to make the yoke in one piece, so it is knitted in three identical sections.

Sew Left Front to a Sleeve. Sew Right Front to a Sleeve. Be sure to join these correctly; it helps to mark the center front edges with markers, safety pins, or yarn tags. After joining the front and

sleeve seam, there will be 59 (61-71) sts in that section. The back also has 59 (61-71) sts. Therefore, each of the three sections has 59 (61-71) sts

How To Make Yoke Decreases

Remove all of the stitches on waste yarn, circular needle, or garter bar. Push the needles required for next tier into work position. Work a crochet cast on using contrast color yarn. Rehang main color stitches on working needles, placing two stitches on a needle for each specified decrease. Knit the next tier. Repeat this process for each decrease row.

If you don't pick up the raglan edge stitches, they will ravel. For a neat seam, fold the edge stitches to the purl side, then pick them up onto the needle holding the second stitch from the edge. ***These doubled seam stitches do not count as decreases.***

Neckband

When rehangng the yoke stitches, note that there is a live stitch on each side of each section in the seam allowance. These should also be replaced on the machine, or they will run. Hang the second stitch from the edge first, then pick up the edge stitch and hang it on the same needle.

After the body is seamed, at the top edge there will be:

6 Months: 20 sts Front/Sleeve-2 seam sts-19 sts in Back-2 seam sts-20 sts in Front/Sleeve

12 months: Decrease a total of 14 sts; hang 2 sts onto the 4th needle 3 times, then every 3rd needle 8 times, then every 4th needle 3 times

24 months: Decrease a total of 18 sts; hang 2 sts onto the 3rd needle 8 times, then every 2nd needle 3 times, then every 3rd needle 7 times.

To make it easier to knit the next row, if a decreased stitch would be placed on these seam needles, move that stitch 1 stitch away from the seam, even if it places two decreases beside each other at that point. *Do not remove the waste yarn from the garment yet.*

T 4. Knit 1 row. T 3 ½. Knit 7 rows. Starting with 3rd st from edge, transfer every other stitch to its neighbor; 2 sts remain in work on end. Return the emptied needles to work position. T 3. Knit 8 rows.

T 3. Knit 8 rows. Hang hem from first row. T 8. Knit 1 row. Bind off using stitch through stitch method. *Or bind off, fold band to inside and slipstitch bound off edge to band seam. This method encloses the uneven edge that often occurs when changing colors, in this case the tails from the chain cast on.*

Buttonhole Band

Hang Right Front on 61 (67-79) needles. T 5, knit 1 row. T 3 ½, knit 3 rows. Mark buttonholes on the following needles:

Button Band

Hang Left Front on 111 (119-127) needles. T 5, knit 1 row. T 3 ½, knit 7 rows. Starting with 3rd st from edge, transfer every other stitch to its neighbor. Return the emptied needles to work position. T 3. Knit 8 rows. Hang hem from first row. T 8. Knit 1 row. Bind off.

Or bind off, fold band to inside and slipstitch bound off edge to band seam. This method encloses the uneven edge that often occurs when changing colors, in this case the tails from the chain cast on.

Buttonhole Band

Hang Right Front on 111 (119-127) needles. T 5, knit 1 row. T 3 ½, knit 3 rows. Mark buttonholes on needles 4-5, 19-20, and 34-35 from the neck edge. There are 13 sts between buttonholes.

Knit 4 rows. Starting with 3rd st from edge, transfer every other stitch to its neighbor. Return the emptied needles to work position.

T 3. Knit 4 rows. Complete buttonholes. Knit 4 rows. Hang hem from first row. T 8. Knit 1 row. Bind off.

Or bind off, fold band to inside and slipstitch bound off edge to band seam.

Note: When using smaller buttons sometimes a single stitch eyelet buttonhole will do better.

Sew seams, work in all yarn ends. Sew on buttons to correspond to buttonholes.
